

A special capsule collection celebrates the magic of the most beloved practically-perfect nanny

In Disney's "Mary Poppins Returns", an all-new original musical and sequel, Mary Poppins is back to help the next generation of the Banks family find the joy and wonder missing in their lives following a personal loss. Emily Blunt ("A Quiet Place," "The Girl on the Train") stars as the practically-perfect nanny with unique magical skills who can turn an ordinary task into an unforgettable, fantastic adventure and Lin-Manuel Miranda ("Hamilton," "Moana") plays her friend Jack, an optimistic street lamplighter who helps bring light - and life - to the streets of London.

To mark this special occasion, **YOOX** is proud to debut a special capsule collection of nine items. Through a selection of clothing and accessories, YOOX revisits some of the most iconic looks as worn by the unforgettable Disney character.

The collection offers everything you need to make a *supercalifragilisticexpialidocious* entrance. Mary Poppins magically re-enters the Banks family's life with an impeccable, practical and elegantly quirky 1930s wardrobe and with Jack's help, brings joy and wonder back into their home. Similarly, the *Mary Poppins Returns x YOOX* collection is inspired by today's dynamic lifestyle, mixing the charm of the most stylish nanny of Cherry Tree Lane with the design and the innovation of our times.

The outerwear, a long wool coat fitted at the waist and a technical bomber with printed lining, is matched with a rich selection of accessories. Symbolic and extremely refined items such as an oversized doctor bag, a zigzag floral patterned umbrella and silk scarf, a pair of leather gloves lined in wool, a cloth hat and two pair of side buttoning boots.

On a chromatic palette of burgundy and light blue tones, the floral zigzag print recalls the illustrated scenes of the movie while paying tribute to its spring setting of blooming cherry trees.

Mary Poppins Returns x YOOX collection will be available worldwide **from beginning December exclusively on YOOX.**
